Agent Portal:

Key features of Agent portal are following:

- Register a customer.
- Refill a customer.
- Change a customer mobile number.
- View revenue earned and commission gained.
- In case Agent Company's Account is prepaid, recharge the account and view its payment history.

Login:

Enter Username and password and then click on ***login*** button to access Agent Portal.

The login form features a prominent orange header with the text "Log in to account". Below this, a light gray box contains the instructions "provide your email and password". There are two input fields: "Username" and "Password", each with a corresponding text box. At the bottom of the form is an orange "login" button.
